Book your place here.

JOB OF THE WEEK

Project Manager

Business project managers plan and organise people, tasks and resources to complete a project on time and within budget. You can earn £22,000 to £70,000 in this role and expect to work 37 to 39 a week. There are due to be 4% more business project managers by 2025. You can read more about this job here.

LABOUR MARKET INFORMATION FACT

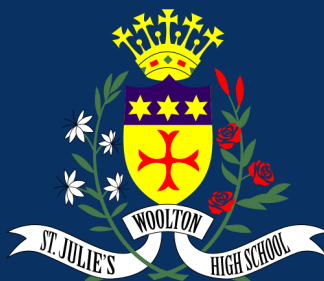

In last week's job of the week, we asked you to think about why there would be less helicopter engineers by 2025.

This is because of the increase of the use of drones! Even the police are now trialling long range drones to replace helicopters.

Source

Can you think of any other jobs drones could replace?
