

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

Interested in studying a healthcare course at university?

Join the University of South Wales for a two-part webinar that will give you the lowdown on all things healthcare careers, and give you tips on how to ace your application. Click below for more information and to register for each one:

- Part one: Studying for a career in healthcare - Wednesday 23rd March at 6.30pm
- Part two: Making a successful application to study health courses - Wednesday 30th March at 6.30pm

SSE have just launched their **2022 Apprentice and Trainee campaign**. For all SSE entry level apprenticeships, they don't require any minimum academic qualifications so truly open to all. You can find more information about the roles, application and selection process and FAQs on our Early Carers opportunities here. You can view apprenticeship roles here and trainee engineer roles here.

NHS On Tues 22nd Feb from 10:00-15:00, you are invited to take part in a **Virtual Work Experience Day with NHS South West Pharmacy**. You will have the opportunity to hear all about NHS Pharmacy, as well as take part in interactive problem solving exercises, hear about current Uni student's routes into the company, and partake in a Q&A with Pharmacy staff and University students! Register for your place here.

apetito is the UK's leading supplier of food to the health and social care sectors. Servicing over 400 hospitals, 450 care homes and thousands more through their work with Local Authorities, they produce delicious, nutritious and sustainable meals for people at home or in care. They are now hiring for Engineering apprentices. You can read more and register here.

JOB OF THE WEEK

Sport Scientist

Sports scientists use knowledge of how the body works to help people improve their health or sporting ability. You can earn up to £60,000 per year and expect to work 37-39 hours per week. There will be 3% more Sport Science jobs by 2026.

You can read more about this here.

LABOUR MARKET INFORMATION FACT

The number of job vacancies in June to August 2021 was 1,034,000, which is the first time vacancies have risen over 1 million since records began.

The largest industry increase was seen in accommodation and food service activities, which rose by 57,600 (75.4%).

UCAS

Are you struggling to understand UCAS Extra and Clearing? Are you finding it hard to decide on which university offer to choose? Oxford Brookes University have devised a programme to demystify the Extra and Clearing processes and tell you more about the level of support available to you at University. Launching on 25th February 2022, this is a free programme available to all students in Year 13. You can register [here](#).

 The Queer Student Awards are a new annual celebration in early careers of students who identify as LGBTQ+ and their allies. The awards are judged by a panel of student recruitment industry experts, queer influencers, and young people. You can enter or nominate someone for the various categories [here](#).

National Careers Week

NCW

From 7th-11th March 2022, it is National Careers Week. You can use the social media hashtag "#NCW2022" to find lots of information, events and guidance from employers.

During National Careers Week, you can access a **virtual careers fair** which will give you the opportunity to speak with lots of national employers and learn more about different job roles and industries. You can read more about the virtual careers fair [here](#).

Employers will also be arranging events and, as we hear about these, we will include them in future week's newsletters.

EMPLOYER SPOTLIGHT

Rockstar North is a British video game development company and a studio of Rockstar Games based in Edinburgh. They are known as the biggest games developer in the UK and are home to the Grand Theft Auto Series.

They recruit for jobs like designers, developers and coders. You can read more [here](#).
