

Taste of the NHS

Virtual Work Experience Programme

24th and 25th October 2022

Welcome

Liverpool University Hospitals Trust would like to welcome you to our virtual “Taste of the NHS” work experience programme.

This programme aims to give a brief overview of the various career options available within the NHS and the opportunity to ask our healthcare professionals questions about their career choices.

The sessions will be 40mins long and will be run through Zoom.

About the Trust

Liverpool University Hospitals NHS Foundation Trust was created on 1st October 2019 following the merger of two adult acute Trusts, Aintree University Hospital NHS Foundation Trust and the Royal Liverpool and Broadgreen University Hospitals NHS Trust.

The merging of the two organisations was integral to regional NHS plans to deliver improved quality of care and to make changes in existing care models.

The merger provides an opportunity to reconfigure services in a way that provides the best healthcare services to the city and improves the quality of care and health outcomes that patients experience.

The Trust runs Aintree University Hospital, Broadgreen Hospital, Liverpool University Dental Hospital and the Royal Liverpool University Hospital.

It serves a core population of around 630,000 people across Merseyside as well as providing a range of highly specialist services to a catchment area of more than two million people in the North West region and beyond.

Requirements/ Expectations

1. All of our sessions will be delivered by health care professionals volunteering their time to speak to you, please be respectful to all staff members.
2. The programme detailed below has all the information on times of sessions and the link to access Zoom. *Please ensure you have tested your access to the Zoom application prior to the work experience commencing.*
3. Please ensure you log in to each session in a timely manner. Once logged in please place yourself on mute immediately, if you have access to camera then please place your camera on.
4. There will be the opportunity to ask questions at the end of each session, please ensure you use the chat option to ask any questions, we also ask that you don't unmute to ask questions during presentations.
5. Please ensure that confidentiality is upheld at all times.
6. Upon completion of the work experience programme all attendees will receive a certificate detailing that they have completed the programme.
