On these programmes, you child can earn a salary and fast-track your career while studying for your chosen subject. At PwC we want our people to feel challenged, to grow, and to flourish. You will have the opportunity to make an impact and make a difference to our clients from day one. Find out more about our programmes here, or sign up to our upcoming events here.

Are you considering a career in publishing? The Society of Young Publishers are pleased to present Inside Publishing, the podcast series interviewing industry experts on everything publishing. You can listen here.

Illustration is another creative career that you may wish to consider. Here is free library of illustration resources to help you on your way to monetizing your skills.

Check out WePresent, a hub of inspiring stories from various creative types, talking about their career paths, inspirations and advice.

Last week was Green Careers Week. You may be wondering how the creative industries are helping us to move towards net zero. This report finds that across all sub-sectors including architecture, design, fashion, film, galleries, games design, museums, music and publishing, the creative industries are innovating in production, design and supply.

JOB OF THE WEEK

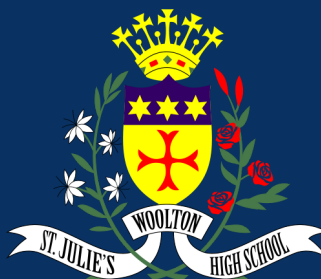

Agricultural engineers build, service and repair agricultural, horticultural and forestry machinery and equipment. You can earn £25,000 to £45,000 per year and expect to work 39 to 41 a week. There will be 3.4% more Agricultural engineer jobs in 2026. Click here to read more.

LABOUR MARKET INFORMATION FACT

Demand for jobs that require skills in artificial intelligence and machine learning is estimated to rise by 40% over the next five years - but the UK risks falling behind if schools aren't given the resources needed to teach them.

OPPORTUNITIES

Discover everything you need to know about Lloyds Banking Group during an interactive event on 13th December 2022 at 6.30 - 7.15 pm. During the session, you will hear from current apprentices, learn organisation insights (including what skill sets Lloyds are looking for, their culture and values, how they want to build the bank of the future and where an apprenticeship with Lloyds could take you) as well as discovering apprenticeship opportunities PLUS a Q&A session, where you'll be able to ask questions directly to their recruitment teams. Book your place [here](#).

Here is a report we thought you might find interesting: [Ten possible jobs of the future - and why Britain may struggle to fill them](#)

Every 90 seconds a British Airways aircraft takes off from somewhere around the world. Ever wondered what it's like to be part of that excitement - the magic that connects Britain to the world and the world to Britain? Check out British Airways brand new website, [SpeedBird-Z](#). You can get mentorship support, take part in modules and help with applications for aviation roles.

Looking for inspiration from an industry expert? Want to grow your network? Or maybe practice your interview skills? [Book a 30-minute 1-1 session as a member of Apprentice Nation](#) for just 20 credits (reimbursed automatically!). Scroll to find out how to book and who you can meet.

UK University Search Fairs happen all over the UK, as well as online. You can meet universities and apprenticeship employers, get support to decide your future pathway and advice on your application. Look at dates and locations [here](#).

[StudentStream](#) brings together video content featuring vital advice, help and expert knowledge from universities and colleges across the UK.

EMPLOYER SPOTLIGHT

"DHL Supply Chain is an essential part of everyday life ensuring that our customers get the right goods at the right time. We are a World Leader in Supply Chain logistics and hire apprentices in a range of job roles to support the development of our business."

You can read more about DHL jobs [here](#) and their student programmes [here](#).

UNI SPOTLIGHT
