OPPORTUNITIES

USA College Day is Europe's largest US university fair, taking place on 23rd and 24th September. It is an ideal way to learn about studying for an undergraduate degree in America. It offers students and parents the unique opportunity to meet with representatives from US universities in London. Held annually for more than 45 years, USA College Day is the largest American university fair in the UK and attracts more than 120 university exhibitors. Everyone from across the UK is welcome to attend! [Read more and sign up here.](#)

There are new online work experience programmes being added to the [Springpod website](#) every week. If you know what industry you want to go into, that's fab - find a relevant experience and learn more. If you have no idea what you're interested in, have a read of a few and sign up to any that you think you might enjoy. The only way to plan your future is to experience new things and see if you enjoy them.

If you are in Year 12 and considering going to university, we would highly recommend registering for a University Summer School. These take place between Year 12 and 13 but the registrations usually close in December/January time. You can find programmes by searching the name of the university you're interested in followed by "summer school". Here are some example programmes:

- [University of Southampton](#)
- [Reading University](#)
- [Liverpool John Moores](#)

Not all of them will have their applications open yet but there should be a way to register your interest, or set a reminder to check back next month!

In this [podcast series](#), UniTasterDays will be providing listeners with the cutting edge and most up-to-date information and conversations about university. In plain English, without the jargon, and from the lived experience of everyone involved in the process - including guest experts, current students and recent graduates.

EMPLOYER SPOTLIGHT

"Work with brilliant lawyers. Develop your industry expertise.

Experience life in a different culture. At DLA Piper, the possibilities are limitless.

We don't follow trends. We start them. We drive change and deliver more to make a tangible difference to our clients and communities."
