

CAREERS NEWSLETTER

This newsletter is a collation of all the opportunities we have heard about from employers and universities. Please use the links included to read more information and apply to anything you are interested in. Links are underlined.

OPPORTUNITIES

This free, online webinar is geared at Disabled and Neurodivergent school, college, and university leavers, looking to take their first step on the career ladder. Join the panel of Disabled and Neurodivergent individuals, at various stages of their own careers, who will share their journeys and experiences so far. The session will also cover; gaining work experience, developing your first CV and finding accessible routes into employment. Think of this as a practical, informal session to help prepare you for finding your first job.

Open Learn's interactive and educational games are played and enjoyed by hundreds of thousands of visitors every year. They've pulled together 15 of their favourites for you to enjoy, so check out this collection. Here are some of the ones we thought sounded interesting:

- Can you be the curator? Put yourself in the shoes of a specialist charged with the V&A's collections. Can you place a range of objects into the correct place in the museum? Try this interactive game!
- Put yourself in a crime scene officer's shoes and try to solve a suspected murder when time and resources are tight. Can you link the suspects to the forensic evidence?
- 15 minutes on Mars! In this interactive activity, you can explore the geology of Mars and find out what the future holds for the planet. Will humans ever step foot on Mars? Will we find evidence of life? There's only one way to find out...

The UK Graduate Careers Survey has been tracking students from the 'Class of 2024', to examine their career plans and expectations, their reactions to this year's on-campus and virtual recruitment events & promotions, and their applications for graduate jobs in 2024. You can read more here. This will be helpful for those of you going to university to learn more about graduate recruitment.

JOB OF THE WEEK

This week's video focuses on the job role of a Orthodontist. They use fixed & removable dental devices, like braces, retainers, and bands, to change the position of teeth in your mouth. After becoming a Dentist, they do an additional 3 years of training to specialise in aligning your teeth and jaw. Watch the video to learn more.

LABOUR MARKET INFORMATION FACT

790 Music Teacher jobs were needed in 2023 and just 216 roles were filled!

If you're passionate about music, don't think there aren't opportunities available for you.
