BEGINNINGS at Baker McKenzie.

What: 18 month development programme for students interested in a career in law

What you can expect:

BEGINNINGS at Baker McKenzie is an 18-month social mobility-focused development programme for Year 12 students interested in a career in law. Each year, 20 students will be selected to join the programme and attend regular events both in-person and online. These include virtual skills sessions that develop an individual's academic prowess and employability in law, as well as engaging networking opportunities and a three-day summer work experience placement in our London offices.

All travel and accommodation expenses will be covered throughout the programme.
